

Small Chorus

Dear Parents,

The small chorus is a satellite group to the Harper Chorus that is open to third and fourth graders who are members of the full chorus. The purpose of this group is to provide third and fourth grade students an opportunity to sing harmony in a small group setting and to further develop their skills.

Participating in a small group allows the student to develop greater independence in part singing and promotes a greater sense of responsibility to the group. Students will be expected to be present for each rehearsal unless they are absent from school that day. Due to the limited number of times we will rehearse together, the student will not be allowed more than one unexcused absence.

Please sign the form below giving your child permission to participate in this group. No students will be allowed into the group without a signed permission form. Registration and payment through Paypal can be done online at the Harper PTO Web site, www.harperpto.com Please scroll down to the Small Chorus section. All rehearsals are in the music room unless otherwise noted.

Please contact me with any questions.

Kate Lambros
Harper Music Teacher and Choral Director
